

## Concrete Foreman – Decatur, IL

**Vector Construction Inc.** is currently seeking an experienced Concrete Foreman to join our expanding team of concrete restoration specialists, administering our innovative concrete repair solutions.

### A Workplace Where You Can Grow

Vector creates an environment that fosters continuous growth and learning – both professionally and personally. Our training & development, safety programs, and workplace environment create a positive family-feeling, employee-first culture, that helps us deliver the highest standard of work in the concrete restoration industry.

### Key Accountabilities:

- Support and foster Vector’s safety program and behavior-based safety culture at all times.
- Coordinate tasks and allocate jobs according to project requirements - developing and managing site logistics plan.
- Monitor and ensure projects are executed on time and on budget.
- Communicate effectively with the Management Team to ensure smooth operations.
- Be willing to learn and take on new types of work.
- Be available and respond to project needs and issues in a timely manner.
- Supervise team members and enable them to grow and succeed through effective feedback, instruction, and encouragement.
- Ensure complete customer satisfaction with all phases of projects through completion.

### Additional Duties:

- Effectively motivate and lead a team of coworkers to reach project goals
- Produce schedules and monitor attendance of crew members.
- Provide hands-on involvement and support to crew members.
- Manage field resources, labor and related material.
- Maintain strong relationships with internal and external clients, including representatives of the Owner.
- Complete all necessary paperwork and reports for each job as required.

### Requirements:

- 10+ years of construction experience in a leadership role - concrete experience is a plus.
- Attention to safety and the ability to work safely.
- Strong organizational and leadership skills.
- Ability to manage one’s own time and priorities.
- Ability to travel as needed to complete projects.
- Ability to read drawings and specifications.
- Attention to detail while documenting daily construction activities.
- Demonstrate a high level of energy, initiative and leadership.

- Must possess a valid driver's license.
- ASTM approved steel-toed work boots
- A background check will be conducted on all successful candidates as a condition of employment
- Vector is a drug and alcohol-free workplace. Successful candidates will be required to pass a drug screen

### **Benefits include:**

- Competitive Compensation Package
- Company Vehicle use
- Life Insurance, Group health and dental benefits
- 401k with employer match
- Training and development opportunities within the company

*An Equal Opportunity Employer, successful candidates will be contacted for interviews.*
